Entering Gleaners campus during **CONSTRUCTION**

Traffic control officer station

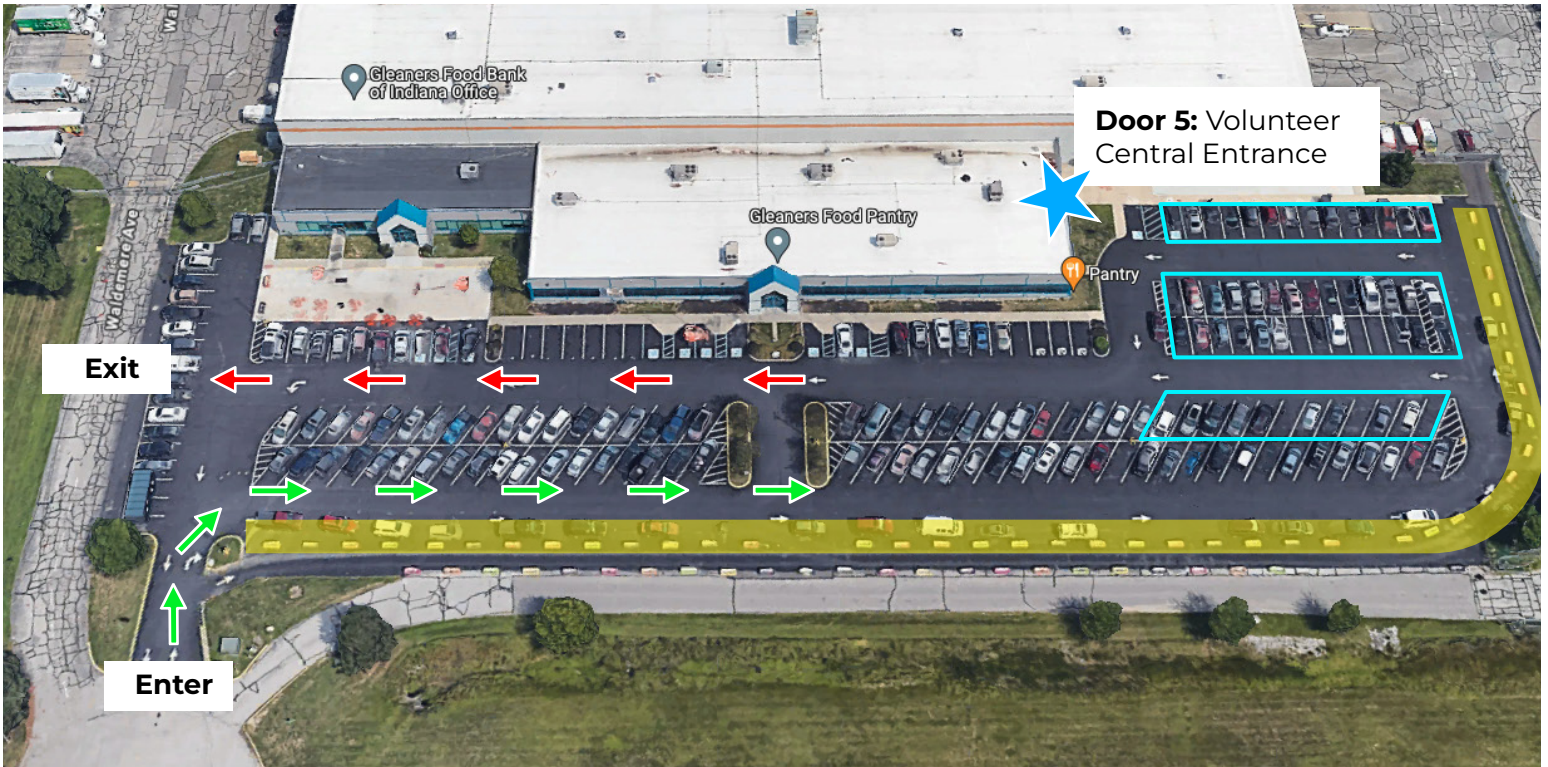

Entry path

Our food pantry line may extend down Waldemere Avenue, so we ask that volunteers use Hanna Circle/Heiney Road to get to Gleaners instead to avoid getting stuck in the pantry line. When you reach the entrance of our parking lot, turn on your flashers to indicate that you are a volunteer, and a traffic control officer will check in with you to direct you to the right place.

**Please note, Gleaners is a smoke-free campus*
